The image is a promotional graphic for the Unity 3D engine. On the left, three overlapping windows display different game scenes: a colorful 'Fusion Shapes' puzzle game, a space shooter with a character and alien enemies, and a 2D platformer with a character on a raft in a river. On the right, a vertical list of logos represents supported runtimes: Windows, iOS, Adobe Flash Player, xna, android, and HTML 5. At the bottom right, the text 'MULTIPLE RUNTIMES' is written in a bold, white font, with the tagline 'One source works on all these platforms' underneath it.

**MULTIPLE RUNTIMES**
